

# Our School Mission

The mission of EPIC High School is to challenge all students to dream big and to support them in designing their future. We recognize that each student is an individual and therefore provide a series of learning experiences that equip young people to walk these unique paths. We honor and integrate the cultures of our communities to make learning relevant, responsive, and accessible, as we develop citizens with a positive sense of self, ready to stand for social justice.

**Dr. Subhas Mohan, Principal**  
**Clidege Pierre, Assistant Principal**  
**John Geyer, Assistant Principal**

# Our Vision

All graduates will be college and career ready as we provide a meaningful pathway to lifelong learning for every student. By fostering the boldness to dream and by developing a commitment to inner growth and outward transformation, our graduates will be ready to design their future.

**“Boldness to Dream”**

EPIC proudly embraces and celebrates the richness of all cultures

# EPIC & Beacon Extra Curricular Activities

EPIC Studios makes space for students to create their own podcasts and documentary films using industry standard equipment. Check out our Youtube channel to see some content!
